Reasons for Allowance

1. Examiner has reviewed and considered Applicants comments as indicated in Applicant's response dated 01/18/2005 with regards to Applicant's Statement of Common Ownership and withdraws the previous rejection.

Per Applicant's comments claims 1 - 26, are now in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

"... replacing, if a particular use of the address is for an indirect reference to the variable, the indirect reference in the intermediate representation with a direct reference to the variable", as best illustrated by figures 5, in such a manner as recited in independent claims 1,12, 17.

"...replacing, if a particular use of the address is a parameter in a procedure call, in the intermediate reference the parameter with a direct reference to the variable", as best illustrated by figures 5, in such a manner as recited in independent claims 11.

Therefore, all claims are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
